

“Every Child Deserves  
A Chance to Play Baseball.”

If I were to tell you about an organized youth baseball

league, you might call it ordinary. If I were to tell you the athletes are physically and mentally challenged, you might call it touching... If you were to see them play you would call it a **Miracle.**

Your support is genuinely appreciated, not only by the Chamber members who work hard to bring this tournament to you, but more importantly, the children in our community. **On their behalf, we thank you.**
